

REMARKS

In the Office Action, the Examiner has rejected Claims 1 and 2 under 35 U.S.C. 103(a) as being anticipated by Dreszer, reference of record. The Examiner has also indicated that Claims 4-8 are allowed and that Claim 3 is objected as being dependent upon rejected base claim.

In order to expedite the prosecution of this application, Applicant has deleted Claims 1-3 and replaced them with new Claim 9 which combines previous Claims 1-3 and overcomes the rejection which the Examiner has posed. Claims 4-8 remain in the application. Thus, it is believed that Claims 4-9 are allowable and a notice to this effect is, therefore, respectfully requested.

If the Examiner feels that the prosecution of this application can be expedited then the Examiner is courteously requested to place a telephone call to Applicant's attorney at the number listed below.

Respectfully submitted,
